

Steelworx 316 Safety Lever on Round rose

Product Images

Description

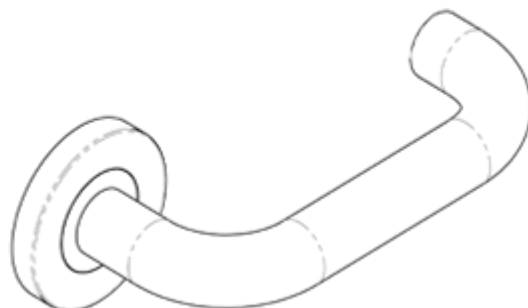

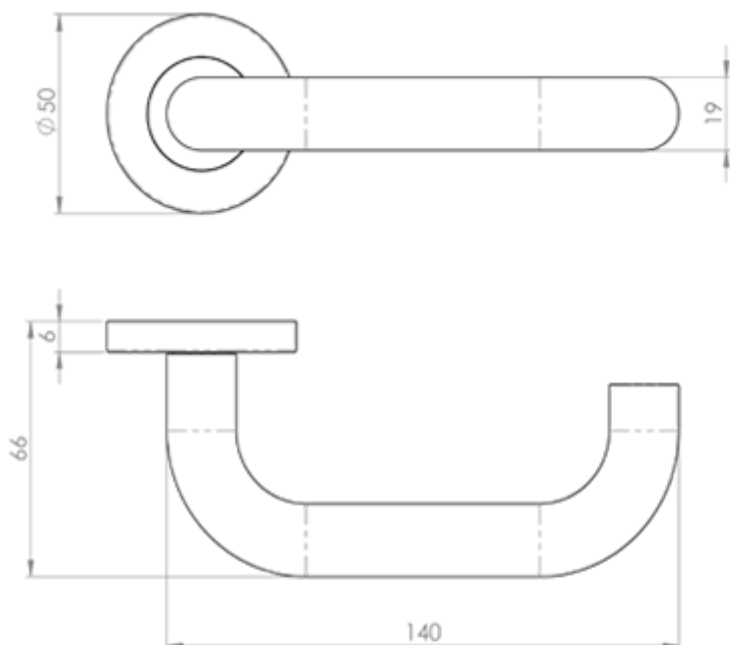

A Safety DDA Compliant return to door round bar lever on a concealed fix bearing round rose. Part of the Steelworx range in Grade 316 Stainless Steel.

Will suit commercial and modern residential projects as they provide the quality and durability to cope within these environments. Makes this ideal for public/office doors where a more ergonomic operation is a necessary requirement. BS EN 1906 Rated, comes with a 25 year mechanical guarantee and is Fire door rated.
