

Otto Figure 8 Sliding Door Flush Pull WC Lock Set

Product Images

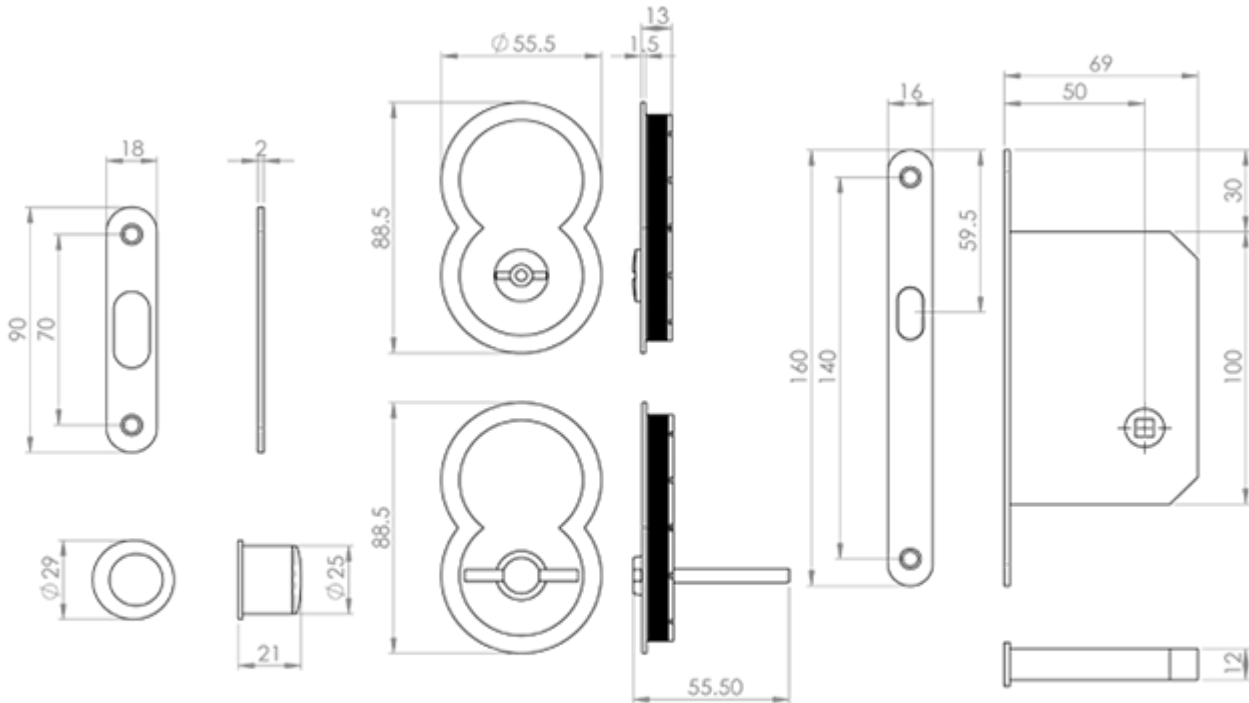

Description

Sliding Door Set with WC Turn, Flush Pull and Lock. Designer sliding door flush pulls. An unusual and innovative figure of eight design elevates this from

the ordinary flush pull giving it an immediate level of sophistication. Sliding bathroom door set comprising of a turn and release inset in the flush pulls, finger pull and a lock . The slim lock has a hook bolt which locates into a keep which is morticed into the frame. The thumb turn operates the lock mechanism and the coin release provides access in case of emergency. The flush fitting roses are sunk into the door and the finger pull is recessed into the door edge if required. Comes with a 10 year mechanical guarantee. Suitable for domestic and commercial use.
