Voltage 240 V		✓
Voltage, electrical	110 V	240 V

## Technical data

### Technical data

Rated power input	720 W
No-load speed	11.000 rpm
Power output	300 W
Grinding spindle thread	M 14
Disc diameter	115 mm
Rubber backing pad, diameter	115 mm
Wire cup brush, diameter	75 mm
Weight	1,9 kg

### Noise/vibration information

Sound pressure level	91 dB(A)
Sound power level	102 dB(A)
Uncertainty K	3 dB
Noise level	The A-rated noise level of the power tool is typically as follows: Sound pressure level 91 dB(A); Sound power level 102 dB(A). Uncertainty K= 3 dB.

## Sales information

---

### Positioning

- Smallest grip circumference and powerful 720 watts

### User benefit

- Smallest grip circumference (176 mm) compared to other angle grinders in its wattage class for particularly comfortable working
- Powerful 720 watt motor and a weight of only 1.9 kg for continuous use
- Flat gear head for comfortable working, even in tight spaces

### Other features

- Restart protection - prevents the tool from automatically starting up after a power cut
- Specially developed air inlets ensure optimum motor cooling for a longer lifetime
- Anti-rotation protective guard for a high level of user protection
- Bosch safety switch ensures controlled switching-on of the machine – for greater user protection
